PREFACE

We are pleased to send you this copy of the 2016 School's Product & Service Buyer's Guide as your resource to locate particular product or service for your Educational needs.

The Buyer's Guide is divided into two sections according to the following:

- **Educational Associations**
- **Product and Service Suppliers/Display Ads**

The Suppliers are compiled by their company name, including locations, contact names, phone and fax numbers, e-mail addresses and their description of their expertise.

3 Oaks Corporation

P.O. Box 565492

Pinecrest, FL 33256

Phone Number: 305-781-3113

Fax Number: 305-254-8349

E-Mail Address: Michael.olkes@3oakscorp.com

3 Oaks Corporation is a project management company specializing in the purchasing of furniture, equipment, technology and supplies for Charter and Private Schools. Other specialty areas include composing RFI and RFP's for services (janitorial, food, landscape and transportation) allowing our client's schools to function efficiently and ultimately more profitable. Our objective, through collaboration, is to assist with integrated services for turnkey project management, contract management and procurement services.

AAA

AAA Foundation for Traffic Safety

607 14th Street NW, Suite 201
Washington, DC 20005

Phone Number: 202-638-5944

Fax: 202-638-5943

AAL

4480 Harvester Road
Burlington, Ontario L7L 4X2
Canada

Phone Number: 800-668-8486

Fax 905-632-2405

E-Mail Address: sisinfo@aalsolutions.com

AAL designs, develops, implements and supports student information software solutions for K-12 school districts in the United States and Canada.

AAL is the vendor of choice in four statewide installations, Idaho, Illinois, Hawaii, Ohio and North Carolina, and has installations in more than 700 districts and 40 regional service agencies-serving a total of 5.4 million students.

AAL's flagship product, eSOS, provides teachers and school administrators with superior data management capabilities for their entire SIS needs.

Multi-districts, and statewide organizations access to real-time, accurate student information from one

Centralized location. This scalable system can also be customized to meet specific state and district reporting guidelines.

ABS Money Systems is a full service systems and equipment dealer serving the needs of Ohio schools for over 35 years. Our systems include: Create-A-Check, a Laser Printing solution which enables On Demand printing of checks and other documents using your existing State Software. Tellermate Money Scale, can count an entire cash drawer in less than one minute! Great for cafeterias, concession stands, and athletic ticket offices. Destroyit Paper Shredders, protect your employees from identity theft by shredding confidential records.

The Complete PS&E Course

We are thrilled to introduce PrepMe's PS&E:

PrepMe is positioned to deliver our test preparation program immediately, customized to any school's size and setting. Our web-based course offers a level of flexibility that enables teachers and students to use the program in a variety of ways. We're excited to show you gains in student achievement, as well as help your school meet state benchmarks with the newest addition to our course library: The Complete PS&E.

About our PS&E course:

We're excited to bring your students a curriculum that strengthens core skills and provides challenging academics, while offering a course rigorous enough to prepare your students for college. Our curriculum is aligned to the ACT's College Readiness Standards and our tests are scored just like the real test. Starting next semester, schools will have the opportunity to add both WorkKeys and ISBE Science to PrepMe's ACT course for complete PS&E preparation.

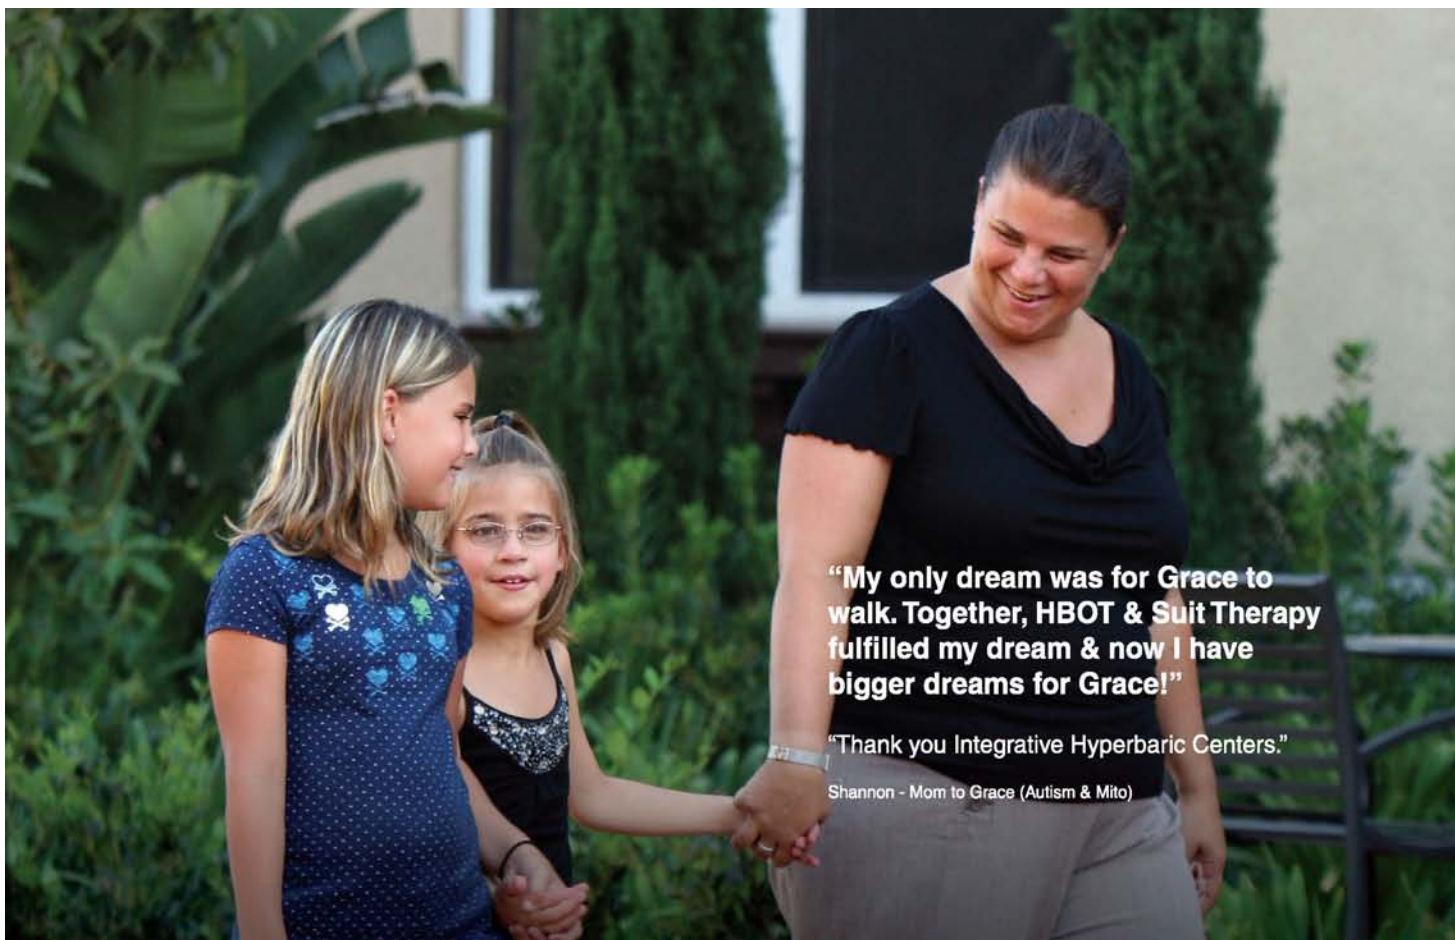

Learn More:

To schedule a demo to view our classroom, or to learn more about our pricing, email psae@prepme.com or call 877-585-7201 today!

- Aligned to ACT's College Readiness Standards
- Skill-Based Curriculum
- Extensive Reporting for Students and Administrators
- Web Based: 24-Hour Access

Multi-Disciplinary Rehabilitation Centers Combining HBOT, Biomedical, Therapy & Care

You can manage Autism or you can do something about it. At IHC, our physicians believe in the latter of the two. Join the ranks of people like Jenny McCarthy & call on our experts Jerry Kartzinel, MD & Kenneth Stoller, MD in taking action instead of managing Autism. Hyperbarics is the only biomedical intervention that has been examined in 2 separate double-blind controlled studies¹ with positive results in Autism.

Specializing in: Autism, Cerebral Palsy, Traumatic Brain Injury, Visual Impairment, Stroke, Multiple Sclerosis, Sports Injury & ADD/ADHD.

Services: Hyperbaric Oxygen Therapy, Suit Therapy, PT/OT/Speech, Oral Motor, Auditory Integration Training, Adjacent Accommodations, Airport Shuttle Service, Social Groups & Parent & Support Groups.

Consulting Doctors & Physicians: Dan Rossignol MD *Family Medicine*, Kyle Van Dyke MD *Family Practice*, Kenneth Stoller MD *Pediatrician*, Jerry Kartzinel MD *Pediatrician*, Koren Barrett ND & Shannon Plouffe RN.
