Action® floors with your choice of toppings.

Choose premium American hard maple.
Choose water-based, seamless synthetic. Or both.

For durability, aesthetics and the performance characteristics your facility requires, Action has you covered. Stunning white maple, grown in the north woods of Wisconsin and Michigan, tops our comprehensive selection of performance subfloor systems. Action Herculan® polyurethane poured seamless floors feature environmentally friendly materials, and a completely solvent-free, water-based topcoat. Many facilities combine the benefits of both for all-around excellence. Start with a call to Action or visit our Web site to learn more.

"I am responsible for 27 high school sports, 13 middle school sports, and 9 3rd-5th grade sports and have no assistant. SCHEDULE STAR helps me organize it all -- I'd be lost without it! We have HighSchoolSports.net integrated with our school's website to keep assignors, workers, parents, and the community informed. It's awesome!"

-- Chuck Ferrara, Athletic Director, Long Branch High School, Long Branch, NJ

"In my 35 years as an educator, SCHEDULE STAR is the best tool I have ever encountered for organizing an athletic department. I have worked in large schools and in small schools and SCHEDULE STAR is just as useful if you have 1000 students or 100. I use and trust it everyday to help me do my job to the best of my abilities!"

-- Mike Young, Athletic Director and head football coach, Wheeling Central Catholic High School, Wheeling, WV

"SCHEDULE STAR is the most proficient and efficient program we've ever used. If I ever have a question, I can always speak to the nice folks in tech support -- they're the best!"

-- Marilyn Claassen, Athletic Secretary, Valley High School, New Kensington, PA

"As both a district superintendent and a parent of an Eaton High School athlete, not only is the overall organization of our league greatly improved, but I can stay on top of my child's schedule with the email and text alerts to game changes -- it's been a life saver."

-- Brad Neavin, Superintendent and Parent, Eaton Community Dist. Eaton, OH

"Schedule Star performs better than advertised."

-- Jack Leary, Athletic Director, Saint Thomas Aquinas High School, Dover NH

With the Traeger Timer you watch your players, not your watch.

Free yourself from watching the practice clock. Let the Traeger Timer do it so you can focus on building a better team.

Better practices mean better games:

- Faster transitions between drills
- Keep the coaches and players on time and on track
- Be more efficient, complete planned drills on time
- Suitable for indoor and outdoor use
- Simple, rugged and easy to operate
- Mastering the clock helps master the game
- Beneficial for all sport and exercise programs
- 30 day, risk-free return*
- Costs hundreds of dollars less than competitive timers

Tom Landry said, "Setting a goal is not the main thing. It is deciding how you will go about achieving it and staying with that plan."

** See website for details*

Plan the Work and Work the Plan

Over 30 years of coaching has taught Coach Traeger a lot about practicing. He wanted to fight the "devils of distraction" with well-planned and executed practice sessions, too often the team and the assistant coaches stray from the practice schedule. Coach Traeger knew to build a winning team, they had to plan their work and work their plan.

The timer brings a relentless discipline to practice. Its distinct audible alert drives the team to stay on schedule. It's easy to program different routines that can be used in the gym or on the field.

See our website for special offers, to see the Traeger Timer in action and to download our practice planning software for Free!
